OUR LADY OF THE ROSARY PARISH MISSION STATEMENT

Our Lady of the Rosary is an open Christian Family, a mixture of unique beings in an inner-city setting. Gifted and guided by the Holy Spirit, called in Faith to prayer, love and concern, this apostolic community searches to creatively use its resources to become inviting, loving, healing and one with the distressed/alienated people of today.

BIBLE STUDY

The Bible Study Group will meet, for the LAST session of the season, on Monday, June 13 at 7 PM in the Parish House. The texts we will be reading together are:

2 Kings 2: 1 – 18

Matthew 6: 1 – 6, 16 - 18

Everyone is welcome. Bring a friend for this final session.

FAREWELL, FATHER GREG

Our friend, Fr. Greg Deters will be moving on and the end of June, headed for his new assignment at St. James in Novi. The three parishes in our cluster will work together to give him a party expressing our gratitude and love for him. This event will be at Blessed Sacrament Cathedral, in rooms A and B of the parish offices, after the 11:30 Mass there. Plan on arriving around 12:45. The event should last until about 3 PM. There will be light refreshments. Watch for notification of how you can assist with Rosary's part of the celebration.

VACATION BIBLE SCHOOL

The three parishes in our cluster are planning a vacation Bible school, August 15 – 19, from 10 AM to 2 PM, at St. Moses the Black Parish. Right now we need volunteers to help with the program. Adults and teens would be welcome. There is a wonderful plan in place for each day, and volunteers will help this plan succeed. Watch for information.

ROSARY GARDEN

Yes, the Rosary garden is alive and well, and starting to grow! We have had help from community residents and from Rosary members. If you are interested, talk to Joe Holt or Ann Murphy after Mass to find out what assistance is needed. Times for garden work are flexible, so we can fit you in!

SUPPORT FATHER KANE

Father Tim Kane has been a long-time friend of Rosary, worshipping with us and getting to know us. We are aware of legal problems he has encountered. What seemed like a closed issue has been reopened, as the sentence proscribed for him has been questioned (as too light?) and a re-sentencing is scheduled for the end of the month. He would appreciate letters from his friends, attesting to his admirable qualities that we experienced. If you are willing, please send a letter, as soon as possible, to:

AN EDUCATIONAL TRIP

The Michigan Labor History Society is sponsoring a free bus tour of sites, many near Rosary, related to the history of the labor movement in Detroit, Saturday, June 18. The morning begins at 10 AM with orientation at the UAW Local 22 Hall, 4300 Michigan Avenue. There is free parking. The bus tour begins at 11 and will drive past historic sites such as the site of the first auto strike in U.S. history, the place where union musicians developed the Motown sound, etc. There is limited space, and registration is necessary. Call 313 882 – 2176 or e-mail your information to michlabor@aol.com.

OUTREACH

We are still accepting donations of men's wear—white t-shirts, black or white socks, and briefs or boxer shorts. There is a large box in church for donations. Thanks to several Rosary members who brought wonderful donations last week. Also, we still have our backpack program in effect. If you would like to take a backpack filled with a variety of supplies for those who are homeless—or nearly so—you can pick one up after Mass. We are especially interested in having people who have not taken a backpack yet to pick one up so our outreach can spread to a variety of areas of the City.

A WELCOME VISITOR

Last Sunday, Tim Mitchem, his wife Monica and his two children dropped in at Rosary. Great memories! Tim brought his saxophone, which added so much to our piano, flute, guitar and drums. Does Tim look happy in the photo? His old friends were all happy to see him!

Construction of the rail line

Compare this to what we face on Woodward in front of the church today. In this 1920 photo (almost 100 years ago), Mayor James Couzens ‘helps’ the workers pound the steel rails into the concrete. Notice there is only a slender trench for the rails to be installed. Today, the whole street has been torn up by heavy duty machines.
